

CHAPTER V

CONCLUSION AND SUGGESSTION

A. Conclusion

In this research the writer found some of analysis about this novel , there are studies from Putri Hesti Wulandari a student from English Department Faculty Of Arts And Humanities The State Islamic University Of Sunan Ampel Surabaya Entitled “ A Study Of Changing Character Showed By Jodi In The Silent Wife Novel By A.S.A Harrison” and from Ogy Rahayu Isdiwati a student from English Literature Study Program Faculty Of Languages and Literature Universitas Nasional Entitled Acceptance As A Power An Analysis Of A.S.A Harrison In The Silent Wife Novel. Compare with this research, Putri Hesti Wulandari discussed and found in the silent wife novel about plot, Jodi’s characterization and cause of changing character of Jodi Brett, while Ogy Rahayu Isdiwati found the event that cause the marriage between Jodi and Brett is on the verge, similarities between Jodi Brett and A.S.A Harrison in order to reveal that Jodi Brett is representation of A.S.A Harrison herself, there are divided into three points of similarities, Those are the interest, the characterization, and acceptance as a power. Then the differences between some of analysis above and this research is the writer in this research found the moral values that revealed in the Silent Wife novel through all character’s life and characterization.

After the researcher analyzed the silent wife novel as the object and finished this analysis, the writer concluded the discussion about this analysis that related and answered the problem statement. From this research it can be conclude through this

analysis the readers can learn some of moral values that consist in the Silent Wife novel, there are peace, appreciation, love, tolerance, honesty, humility, cooperation, happiness, responsibility, freedom, unity, bravery, self-discipline, purity and holiness, and the last is sensitive and not selfish. All of that morals consist in the Silent Wife novel that being analyzed with two theories which used in this analysis.

In the silent wife novel the writer found 33 quotation as evidences of all moral values which explained before where the first theory of Tillman divided into 3 quotation for peace, 2 for appreciation, 1 for Love, 1 for tolerance, 4 for honesty, 2 for humility, 2 for cooperation, 3 for happiness, 4 for responsibility, 2 for simplicity, 2 for freedom, 1 for unity and also data for Linda and Eyre's theory divided into 1 for bravery, 1 for self-discipline, 2 for purity and holiness, and the last 2 for sensitive and not selfish. The writer found all of the moral values above from the character's behaviour in the novel and this research was dominated by first theory of Diane Tillman (2004).

B. Suggestion

After finished this thesis, the writer gave some suggestion related to this research for some of people who read this analysis.

1. English departments

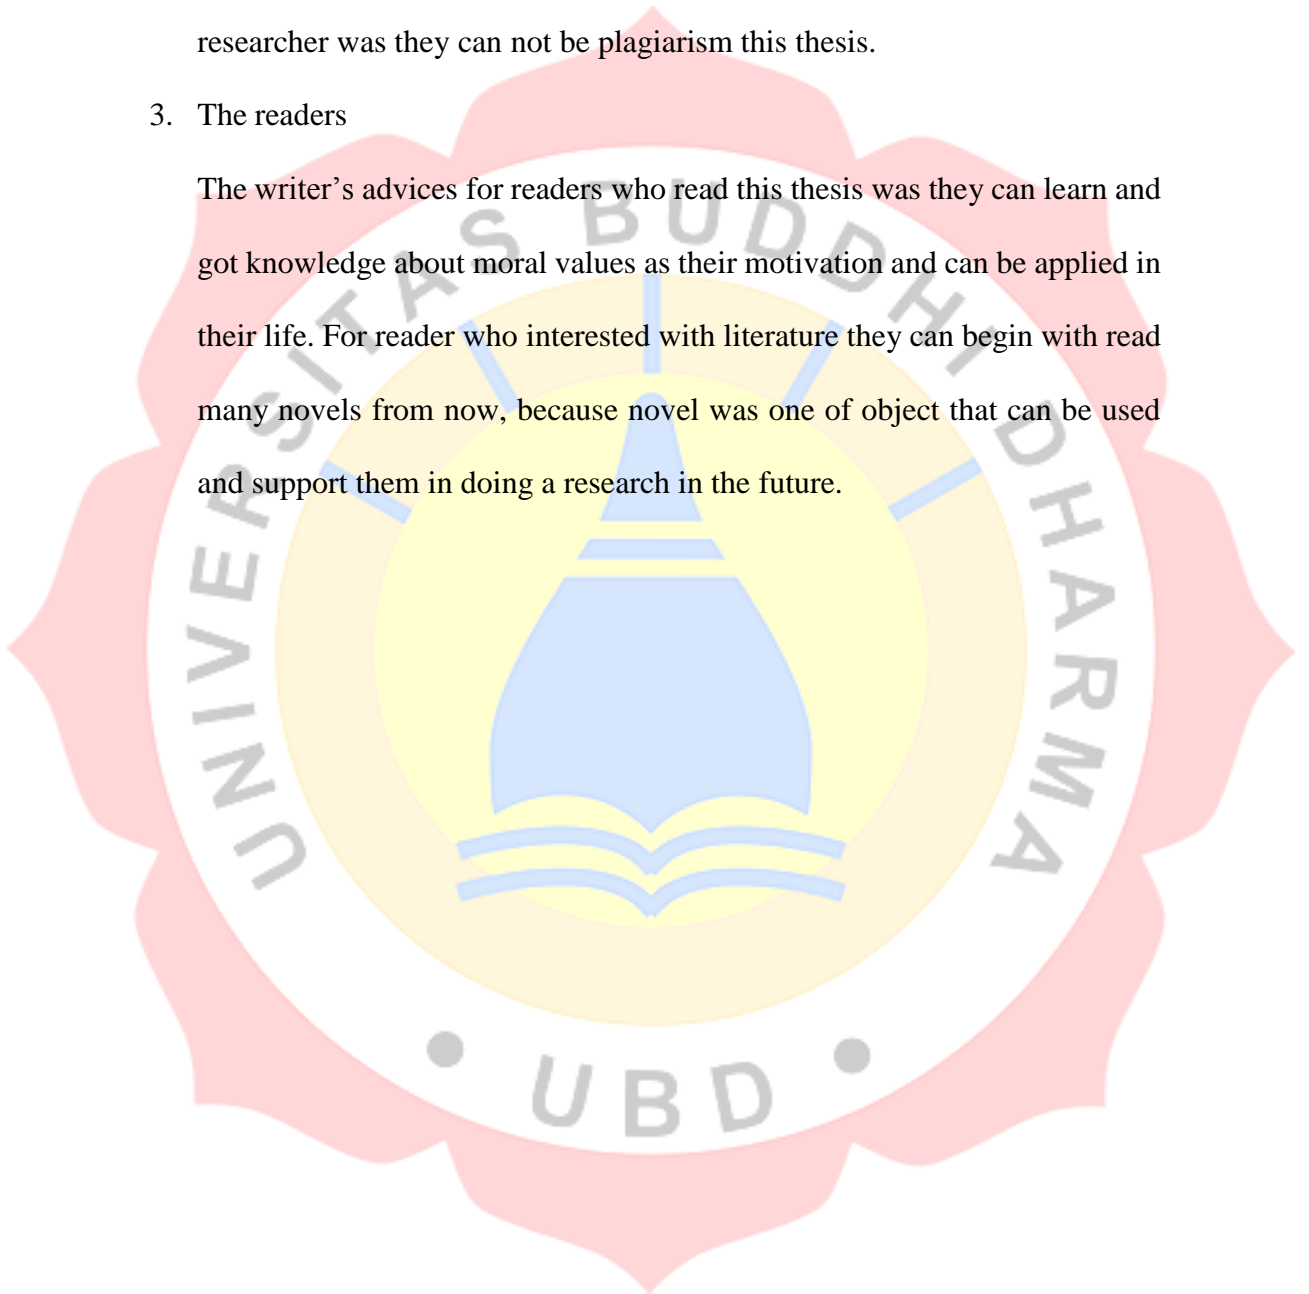

In wrote this thesis the writer gave suggestion for english department. This thesis can used by english department in order to support them to gave references for the students or next researcher.

2. Next researchers

The writer also has a purpose for this thesis can used by them as a reference when doing their research, especially if they chose to discuss about moral value's in their object such as novel, but the important suggestion for next researcher was they can not be plagiarism this thesis.

3. The readers

The writer's advices for readers who read this thesis was they can learn and got knowledge about moral values as their motivation and can be applied in their life. For reader who interested with literature they can begin with read many novels from now, because novel was one of object that can be used and support them in doing a research in the future.
