

CHAPTER V

CONCLUSION AND SUGGESTIONS

5.1. Conclusion

Through the process of collecting, grouping, and analyzing each dialogue from Na Hwajin and Im Hanrim in the webtoon *Get Schooled*, published in 2021, this study focused only on Season 1 of the webtoon, consisting of episodes 1–111 as of 2023. It was found that Na Hwajin utilizes 64 language styles, while Im Hanrim utilizes 45 language styles. For Na Hwajin, it was found that he used 0 Frozen Style (0%), 0 Formal Style (0%), 21 Consultative Style (32.8%), 43 Casual Style (67.2%), and 0 Intimate Style (0%). For Im Hanrim, it was found that she used 0 Frozen Style (0%), 1 Formal Style (2.2%), 17 Consultative Style (37.8%), 27 Casual Style (60%), and 0 Intimate Style (0%).

The analysis reveals that the most dominant language styles used by both characters is the Casual Style, with Na Hwajin using it 41 times and Im Hanrim 27 times. This predominance suggests that both characters frequently engage in informal and everyday conversational styles, reflecting their interaction contexts and relationships with other characters in the Webtoon. The second most dominant language styles for both characters is the Consultative Style, highlighting their roles as teacher in providing information, guidance, or advice within the narrative.

In summary, while both characters predominantly use Casual and Consultative Styles, Na Hwajin shows a slightly higher tendency towards informal communication compared to Im Hanrim shown by percentage of Casual Style used by Na Hwajin is 4.1% higher than Im Hanrim. The tendency of using informal communication from Na Hwajin also shown by no use of language styles more formal than consultative style, while Im Hanrim still used 1 Formal Style. This difference in language style usage can be attributed to their individual character traits, roles, and relationships within the story.

5.2. Suggestions

Future research should explore the impact of various contexts on language style utilization. By examining different social factors for example character relationships and character status, researchers can understand the factors that prompt shifts in language styles. This approach can be applied to a wide range of media, including literature, films, and online content, to determine how context influences language use.

For future research on the Webtoon *Get Schooled*, it would be advantageous to incorporate other linguistic theories to gain broader perspective. By examining the dialogue through multiple linguistic lenses, researchers can achieve a more comprehensive understanding of the characters' communicative strategies, the subtleties of their interactions, and the social norms depicted in the narrative. This multi-theoretical approach can enrich the study of language use in *Get Schooled* and contribute to broader linguistic research in digital storytelling mediums.

Na Hwajin Dialogues

Title	Dialogue
EPISODE 7 At the cemetery	<p>Na hwajin : woah~ this crazy geezer is just... He told me he'll take care of it, but he's just starting a war! How did he get to be the number six senator?</p> <p>Choi kang-seok : What did you say?</p> <p>Na hwajin : ahaha.. You're here, already here? Dad.</p> <p>Choi kang-seok : the hell do you mean, 'Dad'?! You bastard!</p> <p>Choi kang-seok : the fuck is this shitty ass cracker? Stupidly expensive, but it's just sugar...</p> <p>Na hwajin : it's Ga-yun's favorite. You should know this, as her father. How was the conference? I watched a stream of it and it seems as though both reporters and parents alike will be up in arms over this...</p> <p>Choi kang-seok : what?! I'm Choi kang-seok! Choi kang-seok!</p> <p>There's nothing I can't do when I put my mind to it!</p>
EPISODE 10 At Guun hitech school	<p>Na hwajin : so, you're the infamous Jang kwan-hyeok! Late, on your first day! Your principal had a lot to say. You're the one who caused all this, eh? Well, with a little bit of work, I've managed to mellow</p>

advanced education	<p>everyone out. Pretty cool, right? But... you're late on your first day! We can't have that! Bend over, mate! Oh, and drop the hammer.</p> <p>Jang kwan-hyeok : sorry 'bout that. I have a bad habit of sleeping in! *punch Na hwajin* wow~ to think, someone blocked that... you're better than you look. What's with that expression of yours? It's clear as day. You're happy to accept a challenge. What, scared I'm not a pushover like the rest?</p> <p>Na hwajin : as I expected... if your shoulders deal that much force, you'll be... troublesome. Ain't this just a party? Now, we can really experience, true education!</p>
EPISODE 11 At Guun hitech school advanced education	<p>Jang kwan-hyeok : the legend Guun mongol team that our seniors recorded 8 years ago...we will destroy that legend and create a new one!</p> <p>Na hwajin : pfft! pffufufu! pfft! pfft! pffuhuhuhu...! muahahaha! Become a legend?! Rule the area?! This is hilarious! I want to know how you handle them... but! pffhihihi! This is too embarrassing! muahahaha! At first, you look cool but it turns out, you're still thinking like your age? Son are you going to brag to your mommy after ruling the area?</p> <p>Jang kwan-hyeok : Don't... make fun of me!</p> <p>Na hwajin : *hit his ribs*</p>
EPISODE 18 At Hanlim gym	<p>Na hwajin : That girl is way darker than I would of thought. I mean, the way she giggled right after when a man had died... she's pretty clever when it comes to cooking up evil schemes. Just take this case of falsely accusing her teacher. She had one of her followers report it to protect herself. I'll need to think up a good way to teach her a lesson. Those types of people who pull the puppet strings don't give you much of an opening.</p> <p>Im hanrim : Captain, how about you leave this one to me? However heinous of a person she may be...you're not who I'd pick to teach a woman a tough lesson and maybe it's thanks to the fact I went to a girls' school myself...but I've got a good idea about how to catch girls like Yeri. Oh, since you're here, how about we spar? It's been a while since you were discharged, so I bet you're pretty stiff now huh?</p> <p>Na hwajin : I'll pass.</p>

<p>EPISODE 23 At the school area</p>	<p>Im hanrim : here's Han yeri's record and report card. She really was a bright, mild-mannered kid until 8th grade. Before she had Mr. Cheon Sangyeol, she maintained a top 10 rank at school.</p> <p>Na hwajin : what do we know about her parents?</p> <p>Im hanrim : they got divorced when she was in first grade, and her father raised her on his own...but his job in sales keeps him out of town half the year. since they stopped talking, they were like strangers, and apparently he didn't take any interest in her school life.</p> <p>Na hwajin : it's the same story, then</p>
<p>EPISODE 26 At unknown place</p>	<p>Na hwajin : leave this no-good guy to us. You go get back to studying.</p> <p>Mr. Cheon sangyeol : F-forgive me! The thought of losing my job made me...! Please, I don't want to get fired! I have an eight year old daughter! I have to care for my family, please...!</p> <p>Na hwajin : job this... family that... sounds like that's all your problem? If you want forgiveness, you should repent for what you did wrong...not blab about your own crappy life that has nothing to do with the people you hurt! Your apologies aren't really for them...but they're for your own sake, aren't they? Phew... I mean, I do this kinda thing because it's my job, but...taking a job away from a family provider...? That's sitting with me a little wrong... how about I give you one last chance?</p>
<p>EPISODE 28 In the car</p>	<p>Im hanrim : So it's a sports team next?</p> <p>Na hwajin : Yep. It's really something, based on the tip we got. A bully upperclassman and a bribed coach...it's rotten all the way.</p> <p>Im hanrim : It's people like that who make a bad name for us in the sports community!</p> <p>*random speeding car passing*</p> <p>Im hanrim : The hell?! Who drives like that?</p> <p>Na hwajin : Chase them. They're kids.</p> <p>Im hanrim : What?</p> <p>Na hwajin : Middle schoolers at most. That period in life where they pick up the worst habits. Those are the type of kids who need to get schooled more than anyone! Those minors who think they can get away with anything!</p>

<p>EPISODE 31 Unknown place</p>	<p>Min jiwoong : have you ever killed somebody before? you know... I can stab you without any hesitation. so if you don't wanna get yourself killed, keep your hands off our school and just fuck off. Na hwajin : it sounds like you've killed someone before. Min jiwoong : see for yourself! Na hwajin : *handcuffed his hands* Min jiwoong : what the fuck?! hey! get this off me! Na hwajin : even if you have killed before...that's not something to be proud of~</p>
<p>EPISODE 33 In solitary confinement</p>	<p>Min jiwoong : fuck, make it stop! please, let me out! I don't care if I get put in a cell! please, just...! Na hwajin : I'm going to lose my appetite because of this punk. think carefully why you were put in here. if you get it right, I'll send you home immediately. Min jiwoong : rea... really? you're really sending me home? Na hwajin : you were fooled by all of us~ I'll check, once a day. the more mistakes you make, the longer your sentence will be, so write it carefully. again~ one more day added to your prison time.... again- again- again- Min jiwoong : this fuck..! you crazy bastard! give me a break! what more do you want me to do...! arrgh! Na hwajin : *handcuff Min jiwoong* this punk... you can't make a fuss when your locked up in this room! you don't have to do anything today. you've been doing this all day. don't think that this is too much. it's the prison rules.</p>
<p>EPISODE 36 At Gimcheon youth detention center</p>	<p>Im hanrim : senior, the girls are getting off here. Na hwajin : alright, I'm going to have a smoke here then. Im hanrim : senior, can't we just leave it to Han yeri, and go to the school we were going to? Na hwajin : oh yeah, we were supposed to visit the women's basketball team right? Im hanrim : yes, I've read the report and I think it's really serious. If we don't hurry up then... I think there's going to be a huge incident!</p>
<p>EPISODE 41 At ministry of education office</p>	<p>Im hanrim : I'm back. ah, come on! turn it off! Na hwajin : wow~ you look good on screen? but isn't it obvious you practice that line too much? Im hanrim : ah, I really didn't want to do it but the minister told me to do the briefing...I was so nervous that my voice trembled, it was the worst! Na hwajin : by the way this video... are these five facts about Im hanrim true?</p>

	<p>Im hanrim : ah, come on!</p> <p>Choi kangseok : what are you fooling around about when you're not working? have you chosen the next school?</p> <p>Na hwajin : ah, not yet... I'm sorting out the information right now...</p> <p>Choi kangseok : if you haven't decided, do this first!</p>
<p>EPISODE 46</p> <p>In the car</p>	<p>Im hanrim : can we find out who's behind it?</p> <p>Na hwajin : according to the recent police report, it's not easy because the server is from overseas....but now they're public they're going to lose a lot of course... Ah! a convenience store..? stop for a second. I want to buy some cigarettes before you enter the highway.</p> <p>Im hanrim : sure.</p> <p>Na hwajin : do you want anything?</p> <p>Im hanrim : banana milk.</p> <p>*In the convinience store*</p> <p>Na hwajin : let's see...banana milk...hmm? ah this and 2 boxes of mboro medium.</p> <p>Cashier : uhh... mboro medium...</p> <p>Na hwajin : not that one, left, top left.</p> <p>Cashier : is this it?</p> <p>Na hwajin : not that one, that's red medium, beside it, beside...</p>

Im Hanrim Dialogue

Title	Dialogue
<p>EPISODE 17</p> <p>At Soyeon's high school class</p>	<p>Random girls : Surprise! Welcome to our school, Ms. Im! We got off on the wrong foot, don't you think? We were just fooling around before! That's all! We'll be good students from now on! Go on! Blow out the candle!</p> <p>Im hanrim : *kicked the cake towards Han yeri*</p> <p>Im hanrim : Whoopsie, my bad! Must've been a reflex. Too bad it ended up all the way over there. Oh god! What's wrong? You're bleeding! You alright? Where does it hurt?</p> <p>Han yeri : you think you can get away with this? Can't you see I'm bleeding? You asshole! I'm going to report you for injuring a student, you bitch!...Ackk! W-what the hell?!</p> <p>Im hanrim : you're asking me how I'm going to get away with this? I think I should be the one asking you that. Now why on earth would you be bleeding after getting hit with a cake, huh? Were you guys...planning on cutting up my face with that?</p> <p>Han yeri : how should I know?! It's them who--</p> <p>Im hanrim : let me introduce myself again. I'm school warden Im hanrim, from the teachers' rights protection agency. Since you're so addicted to your phone...I bet you've seen my coworker Na hwajin's teaching methods on newtube. But unluckily for you...I'm not as nice as him.</p>

EPISODE 19 At apartment	<p>Im hanrim : it's your neighbor. What's all the raucous about? Is there something going on in there?</p> <p>Han yeri : shut your mouth and fuck off, lady! it'll all be quiet soon!</p> <p>Im hanrim : open this door, Han yeri! You really went this far, huh?!</p> <p>If this door isn't open by the time I count to three...something you'll regret for the rest of your life is going to happen.</p>
EPISODE 20 At apartment	<p>Ms. Jung sunyoung : Oh! Is that you, ms. Im?</p> <p>Im hanrim : Oh... hello there, ms. Jung.</p> <p>Ms. Jung : What are you doing here? Do you live here?</p> <p>Im hanrim : Oh, yes... I needed a place to stay while working at the school, and this happened to be close to school... Who would have thought that we'd end up neighbors...what a funny coincidence...</p>
EPISODE 20 At the residential alley area	<p>Han yeri : save me!! That absurd woman is trying to kill me!</p> <p>huhuu... you've gotta help me...</p> <p>Security officer : go that way, kid. Look here, miss! Come over here.</p> <p>Im hanrim : Yeri, you little...</p> <p>Security officer : who are you?! What'd you do to her?!</p> <p>Im hanrim : it's a misunderstanding. I'm her teacher.</p> <p>Security officer : her teacher? Let me see your id.</p> <p>Im hanrim : Oh... I don't have my phone or wallet on me... Han yeri, you stop right there! I'm Im hanrim of the teachers' rights protection agency! I'll stop by your precinct tomorrow!</p>
EPISODE 21 At juvenile detention	<p>Han yeri : what the fuck do you want? It's all over now, so why do I have to see your busted face again?</p> <p>Im hanrim : I wanted to show you something. There were 62 separate reports of your behavior to the TRPA. The vast majority of them...were from students furious over mr. Go's death. In fact, ms. Jung...never reported you.</p> <p>Han yeri : ha! You're funny! Who cares about a hypocrite like this anyway? If that's all, then screw off! Your face makes me wanna barf!</p> <p>Im hanrim : Sangyeol cheon, I heard he did something awful to you. I can understand why you are so twisted now. Going through something like that in your most formative years for your character...but I don't pity you for what happened. Just because a person has been traumatized, that doesn't turn them into a criminal. But I promised you. Sangyeol cheon, that piece of garbage... will pay for what he's done.</p>
EPISODE 25 At Halim gym	<p>Im hanrim : wow, so you're saying he tormented kids with rough backgrounds over in-school ranking? and even gave out test questions? if we turn this over to the police, that'll be the end of Mr. Cheon sangyeol's teaching career.</p> <p>Na hwajin : we can't do that. if we do, he'll only get punished for leaking test questions. we need to school him on everything he's</p>

	<p>done wrong!</p> <p>Im hanrim : captain...are you... mad?</p> <p>Na hwajin : a little?</p>
<p>EPISODE 37</p> <p>At the seungyeon high school basketball court</p>	<p>Im hanrim : is it because you're only working out? do you even know what a substitute coach means? a substitute coach is someone who can exercise the power of supervision instead. it means, i'm just the same as the coach. interfering with the training or changing the system, that's the area of supervision! come here. i'll pass the ball to you... woah~ isn't that 3 points? you're good. uh? what's wrong? are you crying...?</p> <p>Eunha : ah, no...</p>
